What "International Exam" includes: the R25,000 add-on covers School of IT booking your official PMI CAPM exam slot, handling all admin, and providing past exam papers to prepare with. This is our full-service fee — not PMI's retail exam price. To sit the exam, PMI also requires a secondary credential (high school diploma or equivalent) plus 23 hours of project management education, which this course provides.

Prefer the full pathway? This course is one building block of our structured IT Project Manager Career Path, which sequences multiple courses (and their certification exams) together. Buying the full pathway upfront — courses plus all exams — saves R4,000 compared to paying per course. [See the full roadmap and pricing →](#)
