Certification Prerequisite (ISACA)

To sit the official CISM exam, ISACA requires 5 years' cumulative information security management work experience (waivers available for up to 2 years). **This is not a requirement for our course** — anyone can take the training itself; the work-experience requirement only applies when you're ready to book the international exam.

Career Prospects

- Information Security Manager
- Security Programme Manager
- IT Risk Manager
- IT Security Consultant
- CISO
- Incident Response Manager

Typical CISM-related salary (South Africa)

R336k – R893k / yr

What "International Exam" includes: the R25,000 add-on covers School of IT booking your official ISACA CISM exam slot, handling all admin, and providing past exam papers to prepare with. This is our full-service fee — not the ISACA retail exam price.

Get internationally recognised skills — start your CISM course today.
