What "International Exam" includes: the R25,000 add-on covers School of IT booking your official PMI PMP exam slot, handling all admin, and providing past exam papers to prepare with. This is our full-service fee — not PMI's retail exam price. To sit the exam, PMI also requires either a 4-year degree + 36 months leading projects + 35 hours project management education, or a secondary credential + 60 months leading projects + 35 hours education, which this course provides.

Already have CAPM? PMP is the natural next step once you have the experience hours PMI requires. This course is part of our structured IT Project Manager Career Path. [See the full roadmap and pricing →](#)
